Dear Ms. Butler:

Thank you so much for setting aside time to speak with me about a possible future in the Tazewell County Public School System. I really enjoyed learning more about the school system and the plan of action in reference to the SOLs. Meeting with you has reiterated my interest in obtaining a teaching position, so that I may incorporate my skills to achieve academic excellence in Tazewell County Public Schools.

I look forward to hearing from you in the near future about a possible teaching position.

Sincerely,
